27<sup>th</sup> May 2009

Dear Ian

Further to our meeting on Monday 18<sup>th</sup> May 2009, as we discussed I have informed our Amenities Committee, of the options available to them. The Committee unanimously supports the idea of lifting trading restrictions (i.e. consent and prohibited streets) on the Esplanade and to go back to the previous 1998 model.

We believe this is the best way forward for local charities to continue with their charitable work. We cannot see how we can encounter problems regarding lifting the consent for street trading as street trading has been happening for the past decade without any problems, however this has been noted that this should not have happened due to it being a prohibited street.

I wish to confirm that the position of Seaton Town Council is that the Esplanade should not be a prohibited or consent street.

Your assistance throughout this matter has been greatly appreciated.

Yours sincerely

  
Mr D Mears  
Town Clerk
