	Improve the quality of life for everyone in Devon by:
1.	Supporting our County's world class natural environment and our built environment and improving the look and feel of the places where we live
2.	Creating the conditions to enable Devon to have a strong and growing economy, and ensuring maximum opportunities are available for everyone to contribute to and benefit from it
3.	Ensuring the availability and balance of appropriate housing for Devon's residents
4.	Inspiring our County's young people to achieve their best and supporting them in tackling the issues that concern them most
5.	Promoting health and personal well-being for all so that people become and stay as healthy as possible
6.	Tackling behaviour that intimidates, hurts or offends people in Devon
7.	Working to ensure strong, prosperous and inclusive communities with a sustainable and vibrant future
	Cross Cutting Themes
1.	Value diversity, using equality of opportunity for everyone as a guiding principle
2.	Improve accessibility of the services and opportunities people want and need.
3.	Drive a step change in the actions we take to address the challenges, and seize the opportunities, of climate change, and to reduce our impact on the environment
