Forecast variation from approved budget for 2007/08 on the General Fund			-	(635,090)	(193,320)	(886,870)	(228,540)

Key:

- Major Concern (Significant budget overspend or shortfall in income)
- Worry (Minor budget overspend or reduction in expected income)
- Good (General underspend on expenditure budgets or income higher than anticipated)

Note 1. This column states the overall budget for the year for the specific area. The purpose being to give some context to the variance.
Note 2. This column highlights the variation in budget calculated at Quarter 1 and month 4. A minus figure indicates a saving, a positive figure indicates an overspend.
Note 3. This column predicts what the variance will be by the end of the financial year.
Note 4. This column includes a comment on how the situation may be rectified, if applicable.

2007/08 Month 9 - Variations for General Fund

Officers Comments <i>See Note 4</i>
This sum has now been offset by savings on staffing and a software package (however this will be needed in 2008/09)
Significant problem caused by flat rate contract and greater spend on extras. This is being partially offset by increased postage revenue
Post now filled
Have only included part of this saving as officer may need to increase hours
Two honoraria have been paid to staff covering this vacancy
Provision has been included for some refunds
Exact amount of redundancy payment now known
The redundancy payments shown above will begin to offset this salary position
This includes £10k additional software costs

2007/08 Month 9 - Variations for General Fund

Officers Comments <i>See Note 4</i>

Offset by additional Supporting People claims

Now summer months are over a more accurate prediction of annual car park revenue can be made
This over spend relates to both the extension in the scheme and an increase in the number of trips across all routes within the district
This saving has been partially offset by a payment made in lieu of un-taken leave
Council decided to move to latest version of reporting tool
This over spend has been partially offset by a reduced level of spend on officer training
