

IMPROVEMENT PROGRAMME

SCHEDULE JULY 2007

Kitchens, Doors, Central Heating,
Electrical Upgrade
and
External Painting

FIVE YEAR PROGRAMME

Within the Housing Revenue Account Business Plan (June 2006) the following criteria has been taken from the Housing Stock Option Retention Plan

Door Replacement Programme

To run over first 17 years of the plan.

The following criteria to be applied by:

- (i) The age of the dwelling, commencing with the oldest houses.
- (ii) A condition survey prior to the annual external redecoration programme.

Note: Doors will not normally be replaced if they have been repaired and re-painted within the last 4 years.
Entrance doors to flats in communal hallways will not be included with the programme.

Kitchen Modernisation

Kitchens to be replaced over next 12 years.

No kitchen will then be over 23 years old

The following criteria to be applied

Kitchens in need of replacement have been identified by the age of the property and the history of any past improvements undertaken to the kitchen.

Properties may be excluded from the programme for the following reasons.

- (i) If on inspection of kitchen units are found to be of a sound condition and meets the age criteria, the dwellings will be excluded from the programme.
- (ii) If a new kitchen has been fitted by current/previous tenant and it is in a sound condition.
- (iii) If over 50% of the units had been replaced when the property was empty and works were undertaken to bring it up to the Council's Minimum Standards for Void Dwellings.

Wiring

Repair and part rewire those parts that need it, rather than replace whole systems, unless a whole system is unsafe.

The following criteria to be applied

Inspect all dwellings, where the history data indicates that no works have been undertaken for over 20 years

Boilers and Heating Systems

Comprehensive programme of replacement and repair to comply with the Decent Home Standard.

All types of heating systems and components replaced and repaired as necessary to comply with Decent Home Standard.

The following criteria to be applied

Replace gas boilers identified as “Poor” during the annual gas safety inspection.

Replace gas boilers with an age in excess of 15 years old.

Replace electric and solid fuel heating systems with an age in excess of 30 years old.

External Decoration

Painting done every five years, which may need to be increased to six years.

The following criteria to be applied

Cyclical rolling programme.
