The lower the score, the better the result

EDDC Result	Devon Districts	South West	England
21.1	23.6	25.9	30.5

% of people who would **like to get more involved in decisions that affect their local area**

This is a neutral question, and the result states that a smaller proportion of EDDC residents want to get more involved in decisions that affect their local area than the average for other Devon Districts, South West Councils or English Councils. This may be because they are already more involved, feel that the right decisions are already made or just don't want to get involved.

EDDC Result	Devon Districts	South West	England
21.2	24.1	25	26.6
